Sunset Models, known for their quality and value in America for over 30 years, is proud to announce the All Brass, Fine Scale, Great Western King and A3 Flying Scotsman in 'O' (7mm).

These exquisite brass masterpieces will impress any modeler both in scale accuracy, attention to detail and reliability. We have seen the competition and we know you will be impressed with our superior detailing, mechanisms and overall fit and finish at roughly the same price as models made by Chinese manufacturers.

Sunset's models are masterpieces of art and engineering and cannot be rushed into production so look for the Scotsman to arrive in the Summer of 2005 and the King in Autumn. Please visit our web site to get up to date information on these models and more.

- Available Lettered (George V and F Scotsman) or Unlettered, Fully Factory Painted and Lined.
- DCC Ready (just plug in a decoder), Sound and Smoke System For (£100) More.
