

BOSTON & MAINE R-1A 4-8-2

BALTIMORE & OHIO T-4 4-8-2

The designers at Baldwin Locomotive Works Eddystone created the R Class, the “**Heaviest Mountains Ever Built in the United States**” for the Boston & Maine. The dual purpose R Class locomotives were at home on hot shot freight or passenger runs. In 1947 they were sold to the B&O and christened T-4a. **A must for any collector or operator.**

Sunset Models is bringing both versions of the B&M R1a and B&O T-4a to you in stunning brass detail and in very limited quantities. 56” rad. 2R or 054 3 Rail Track. If you are a B&M or B&O fan, you don’t want to miss this as it may **never be available again in O Scale.**
