

PRR Brill (660) "Doodlebug"

\$799.95 (MSRP) Available in 2R or 3R

This Brill (660) "Doodlebug" saw its last run in 1962. #4666 is preserved today. A second number is also available, so you can have 2 "Doodlebugs" in service. These "Doodlebugs" provided the mail and express service to areas that were too small for steam. This powerful self-propelled passenger car was often seen with 2 P70s trailing behind. Complete with lighted interior, seated figures, cab and engineer, full underbody detail, in LIFE-TIME brass.
